This week's address/podcast is called "What learning to play jazz can tell us about the need for a liberal religious discipline"

You can read the text at this link

And, lastly, as always, if on reading this you decide you would like to join us on Sunday morning for the service of mindful meditation and time of conversation following and do not have the necessary Zoom link then please contact our Church Secretary, Brendan Boyle, via the contact page of our website. Just look through the dropdown tabs to find "Secretary":

Please log in between 9.45 and 10am. The meditation starts at 10am sharp, and finishes about 10.50. There will then be a short break to allow you to stretch your legs, compose your thoughts, or put the kettle on. The Time for Conversation will start about 11am, and if you aren't taking part in the meditation, feel free to sign in during the break for the conversation. To get the most from the meditation, you will find it helpful to either print out the order of service, or display it in a second window. Here is the link:

You might also wish to have a small candle or tea-light to hand to light at a certain point during the meditation.

A representative recorded version of the service is available here:

Lastly, please note there is now a new number for the church office. You can find that below my signature.

With love and best wishes as always,

Andrew
