

NEWSLETTER 20 JANUARY 2023

Posted on January 20, 2023 by Andrew Brown

PLEASE NOTE THAT THIS SUNDAY, 22 JANUARY 2023, WE WILL BE MEETING ON ZOOM ONLY

The reason for this is that the heating is broken and there is currently no heating on the premises. Although it's been "warm" enough for a hardy few, the temperature inside the building is currently hovering between 3 and 4 degrees celsius and it's also now rather damp. Naturally, we'll keep you informed week by week about whether we're meeting face-to-face. We have engaged engineers to fix the (big) problem and we have hopes that soon the heat will be back on. Watch this space . . .

So, here's the Zoom link and I look forward to seeing some of you tomorrow.
